For professional network connections

Patch Cords

Faber

Your ideal partner for Fiber optic patch Cords

- ✓ Singlemode patch cords (E9/125)
- ✓ Simplex- or duplex-Versions
- ✓ High quality Grade B connectors according to IEC 61755-1
- ✓ Fiber resistant to bending G.657A1
- ✓ Halogen-free outer sheath
- ✓ Applicable in environments with highest demands (data centers, FTTX networks, LAN applications, industry)
- ✓ Visually and metrologically tested (test report enclosed)
- ✓ Many common patch cords available directly from stock

LSH (is also referred to as E2000®. E2000® is a trademark of Diamond S.A.)
